How You Can Support Deen City Farm!

DEEN CITY FARM is a registered charity and is both an educational resource and community project. It is a peaceful little corner of the countryside, situated on 5 acres of land alongside the River Wandle between Merton Industrial Park and Morden Hall Park.

We have all kinds of farm animals, small animals and birds, including rare breeds, and a riding school. We have no admission fee, but endeavour to provide a wide range of educational and recreational facilities for all ages.

SOME OF WHAT WE OFFER AT DEEN CITY FARM

The Volunteer Programme.

People of all ages, abilities and backgrounds work together, either with the animals, in the garden, or in the riding school, or wherever help might be needed. Work Experience students and people with special needs also come in each week to learn, and work alongside staff.

Farm Tours

Enormously popular with local schools, our National Curriculum-based tours offer children the unique opportunity to feed, touch and learn about our animals, farming and horticulture. We combine tours with classroom based talks or activities.

Incubator Loan

We provide an incubator & eggs plus all the equipment & instruction required to enable groups to have the amazing opportunity to see their own chicks hatching. We also give talks or assemblies to the schools as required.

Holiday Clubs

During the school holidays, the Farm hosts 100's of children who take part in our Discovery, Young Farmers or Own a Pony Clubs. Children work with staff to learn about & care for the animals, as well as playing games and having fun.

Growing Garden

What was once a disused and muddy part of the site 5 years ago, is now an interactive, colourful and award-winning flower and vegetable garden. Amongst the more unusual features of the growing garden are a maze, a cob building, a vegetable wheel, as well as a wildlife pond and picnic area.

Riding School

Lessons for adults and children over 8, whether they be new or experienced riders. We also offer riding for the disabled (RDA members). Lessons are reasonably priced to maximise accessibility to this sport. In addition, we run Pony Club. Pony rides are offered for under-8's at specific times of the week.

Other Services

Amongst other services, we have an after-school Farm Club, a weekly Toddler Group; we host Children's Parties (with an animal encounter & pony ride if required); we offer Animal Sponsorship opportunities, attend high-profile local events and hold practical workshops.

BUT WE NEED YOUR HELP !

Deen City Farm is a small, local charity charging no admission fee. Although we receive some funding from the local authority, we rely heavily on fund-raising activities and valued Friends of the Farm who support us.

A donation of more than £2 per month or £10 or £15 per year (see below), entitles you to be a Friend of the Farm & really helps us carry on our work.

Friends of the Farm are kept fully informed of all our new activities, projects and events on the Farm and you will truly be supporting a great community project.

Other ways that you can help us are by **sponsoring an animal** and supporting our events such as the **Christmas Fun Day** and **Sheep Shearing Days**.

Or simply make a one-off or regular financial contribution by filling in the back page of this leaflet.
